The present suit has been filed by the petitioner i.e. NKS Hospital for Defamation, Permanent & Mandatory Injunction and Recovery of Damages of Rs. 10 Lacs with pendente lite and future interest @ 24% per annum whereby the plaintiff seeks a decree with directions to the defendants:

2/15

I have gone through the grounds mentioned in the application for urgent hearing of the present case. An ex-parte relief is being sought in the application under **Order 39 Rule 1 and 2 CPC** with directions to the defendants to immediately stop circulating and publishing defamatory contents against the hospital and to remove the contents from social and electronic media etc. if any, till the disposal of the suit, which relief is totally non specific and vague. I find no urgency in the matter.

Be listed on **21.05.2020** for hearing before the **Regular Court** (in case if the lock-down is lifted).

*In terms of the above Office Order, the Co-ordinator is directed to communicate the order to the counsel over e-mail.*
